## Verse 1:

Dm

Bb

F

All the gods I served before, I've laid them at Your door

C

I'm helpless without You

Dm

Bb

F

All the former things, my fruitless strugglings

C

Just searching for the truth

Dm

Bb

F

Looking back down that old road, a heart of stone so cold

C

Distracted from Your love

Dm

Bb

F

Now I want my life's reflection, To have a clear direction

C

With purpose and with truth

## Chorus:

F

C/A Bb

I will put no other before You

C

Dm

I will have no other beside You

C/A Bb

F

You're my One and only, You're my One and only

C/A Bb

With my eyes fixed on Jesus

I will run to Your presence  
You're my One and only, You're my One and only

**Verse 2:**

With all my imperfections, You showed me Your affection  
You love me as I am  
Where You lead I follow, You wiped away my sorrow  
To walk with You in love  
So I bow before Your throne, to serve You and You alone  
Loving Father and my friend  
And now I lift my eyes, to see the King exalted high  
There's no-one else like You
